

**Bothra Metals & Alloys Ltd.**

A House of Metals

# About Us

Bothra Metals and Alloys Limited is a dynamic and innovative manufacturer of non-ferrous metal products, headquartered in Bharat. The company was founded in 2001 with a vision to provide high-quality metal products and services to customers worldwide. Bothra Metals and Alloys offers a comprehensive range of products, including aluminum extrusion profiles, billets, ingots as well as metal scrap (ferrous & non-ferrous metal scrap). The company has a state-of-the-art manufacturing facility and a team of experienced engineers and technicians who work closely with clients to provide customized solutions to meet their unique requirements. Bothra Metals and Alloys are committed to sustainability and environmental stewardship and have implemented a range of green initiatives to reduce their carbon footprint.

# Vision

To be a global leader in the manufacture and supply of high-quality non-ferrous metal products, delivering innovative solutions that meet the needs of our customers, while upholding the highest standards of sustainability and social responsibility.

# Mission

At Bothra Metals and Alloys Limited, our mission is to provide our customers with the highest quality non-ferrous metal products, while maintaining a commitment to sustainability, environmental stewardship, and social responsibility. We strive to continuously improve our manufacturing processes, innovate new products and services, and cultivate long-term relationships with our clients, suppliers, and employees. We are dedicated to operating with the utmost integrity and transparency, upholding the highest standards of quality, safety, and ethical conduct in everything we do.
